you must either prove the authority to sale the land in question and express that proof to me.
unambiguous prima facie hearsay is not proof of anything but fraud.

you have no authority to sale land what does not belong to you.
my land is not for sale and you possess absolutely no authority to sale my land.
i do not consent and i absolutely forbid it.

how do you come to the conclusion that your right to my land is superior to mine?
that defies all logic and reason.

you are acting as power of attorney over my affairs and making legal determinations on my behalf and
presuming a legal status as United States citizen without my fully informed freely given expressed consent and
against my own god given free will.
i am not in the United States and neither is the land in my possession which is being falsely identified as 3333
LAFFERTY RD. PASADENA TX. 77504.

can you prove i am a United States citizen?
can you prove i am in United States?
can you prove i have an obligation to perform commercial commerce as an instrumentality of United States
without my fully informed freely given consent and against my own god given free will?

there is no such place as 3333 LAFFERTY RD, PASADENA TX. 77504
that is a legal address of a fictional place in a federal territory.

you have fraudulently identified the land in my possession as a fictitious legal address in federal territory.

United States is a bankrupt corporation, a civilly dead legal structure operating in de facto status performing
commercial commerce on behalf of foreign bankers who are the receivers of the United States bankruptcy.

there is not such man as BRIAN DOUGLAS ROARK.
that is a legal name of an artificial person created and devised by human laws for government and society.
BRIAN DOUGLAS ROARK is created, issued, and owned by United States.
i am in possession of the Certificate of Birth of BRIAN DOUGLAS ROARK which is evidence of a beneficial
interest in the trust.
BRIAN DOUGLAS ROARK is a counterfeit copy of me created under coercion and duress without fully
informed freely given consent and is an absolute nullity.

you are fraudulently pretending like i am an artificial person and the land in my possession is a fictional place in
a federal territory so you can commit fraud upon me.

you are knowingly, willfully, and intentionally committing fraud.

you have absolutely no authority over the land in my possession and you have absolutely no authority over me, and you have absolutely no authority over my affairs.

you have refused to respond my emails requiring proof of claim

you have knowingly, willfully, and intentionally, compelling me, the living soul, to participate in compulsory commercial commerce without my fully informed consent and against my own god given free will.

i require you express your claim in writing with your own wet-ink signature and endorsement notarized under penalty of perjury. if you are not willing to express your claim in writing with your own wet-ink signature and endorsement notarized under penalty of perjury as true, correct, complete, and certain then you have no claim.

i require you provide actual positive proof of true verified facts of absolute unambiguous evidence your claim is true, correct, complete, and certain. if you do not possess any actual positive proof of true verified fact of absolute unambiguous empirical evidence i can examine then you have no claim.

i require a certified copy of an equally beneficial binding bilateral full disclosure contract with my wet-ink signature. if you do not possess a binding bilateral contract with my signature then you have no claim.

what the hell are you basing your claim on?

you must prove you have authority to sale the land in my possession.

what gives you superior claim to my land than me?

your acting as an instrumentality of United States to perform commercial commerce on behalf of foreign bankers who are the receivers of the United States bankruptcy.

explain to me where our authority over me comes from.

explain to me where your authority over my land comes from.

Ita utere tuo ut alienum non lasedas. Use your own property and your own rights in such a way that you will not hurt your neighbor, or prevent him from enjoying his. Frequently written, "8io utere tuo,n eta, (q. v.)

nothing you do is lawful. you refuse to respond to my emails, you refuse to prove your claim, you have no contract with me, you do not have my consent, no one can delegate authority over me.

what the hell!

Subject: Abandom Paper and Fraudulent Commercial Claim

someone from your corporation ignored multiple no trespassing signs and left this paper on my land.

this property is NOT for sale. this is a fraudulent claim. you have no first-hand knowledge this claim is true, correct, complete, and certain, you have absolutely no actual positive proof of true verified facts of absolutely unambiguous empirical evidence this claim is true correct complete and certain,, and you have no equally beneficial binding bilateral full disclosure contract with both parties wet-ink signatures.

no personal first-hand knowledge, no true verified facts of unambiguous evidence, and no full disclosure contract.

you are conspiring to deprive me of my absolute immutable god given free will and dominion.

you are a fiction of law acting under the color of your office enforcing color of law.

Fictio cedit veritati. Fictio juris non est ubi veritas. Fiction yields to truth. Where there is truth, fiction of law exists not.

Homo vocabulum est naturae; persona juris civilis. Man (homo) is a term of nature; person (persona) of civil law. Calvin.

PERSON. A man considered according to the rank he holds in society, with all the rights to which the place he holds entitles him, and the duties which it imposes. 1 Bouv. Inst. no. 137.

SOCIETY. A society is a number of persons united together by mutual consent, in order to deliberate, determine, and act jointly for some common purpose.

i do not consent and therefore am not a member of your society. i am not a member of your society and therefore am not a person.

i am true fact of nature. you are fiction of law.

fiction yields to truth. where there is truth, fiction of law exist not. THIS IS THE ABSOLUTE SELF-EVIDENT TRUTH AND IS SUPERIOR IMMUTABLE LAW!

FICTION. An assumption or supposition of law that something which is or may be false is true, or that a state of facts exists which has never really taken place.

A fiction is a rule of law which assumes as true, and will not allow to be disproved, something which is false, but not impossible. Best, Ev. 419 (THIS IS FRAUD)

FICTION OF LAW. The assumption that a certain thing is true, and which gives to a person or thing, a quality which is not natural to it, and establishes, consequently, a certain disposition, which, without the fiction, would be repugnant to reason and to truth. It is an order of things which does not exist, but which the law prescribe; or authorizes it differs from presumption, because it establishes as true, something which is false; whereas presumption supplies the proof of something true. Dalloz, Dict. h. t. See 1 Toull. 171, n. 203; 2 Toull. 217, n. 203; 11 Toull. 11, n. 10, note 2; Ferguson, Moral Philosophy, part 5, c. 10, s. 3 Burgess on Insolvency, 139, 140; Report of the Revisers of the Civil Code of Pennsylvania, March 1, 1832, p. 8.

Fictions were invented by the Roman praetors, who, not possessing the power to abrogate the law, were nevertheless willing to derogate from it, under the pretence of doing equity. Fiction is the resource of weakness, which, in order to obtain its object, assumes as a fact, what is known to be contrary to truth: when the legislator desires to accomplish his object, he need not feign, he commands. Fictions of law owe their origin to the legislative usurpations of the bench. 4 Benth. Ev. 300.

the corporation making a claim is making a fraudulent claim.

i demand you require LINEBARGER GOGGAN BLAIR & SAMPSON verify their claim in writing with their own wet-ink signature and endorsement notarized under penalty of perjury as true, correct, complete, and certain. THEY WILL NEVER EXPRESS THEIR CLAIM IN WRITING WITH THEIR OWN WET-INK SIGNATURE AND ENDORESMENT NOTARIZED UNDER PENALTY OF PERJURY BECAUSE THEY ARE KNOWINGLY, WILLFULLY, AND INTENTIONALLY MAKING A FRAUDULENT CLAIM.

i demand you require LINEBARGER GOGGAN BLAIR & SAMPSON to provide you with actual positive proof of true verified facts of absolutely unambiguous emperical evidence you can examine. THEY WILL ONLY PROVIDE YOU WITH PRIMA FACIE EVIDENCE BECAUSE THAT IS ALL THAT EXIST BECAUSE THEY ARE KNOWINGLY, WILLFULLY, AND INTENTIONALLY MAKING A FRAUDULENT CLAIM.

i demand you validate this claim immediately!

the claim must be expressed in writing by someone with first-hand knowledge, with parties own wet-ink signature and endorsement notarized under penalty of perjury. THIS IS LAW. anyone not willing to verify their claim with a sworn statement is making a fraudulent claim.

the claim must be supported with actual positive proof of true verified facts of absolute unambiguous empirical evidence. if there are no such facts of evidence then the claim is fraudulent.

there must be an equally beneficial binding bilateral full disclosure contract or there is no law.

this is paramount and time sensitive.
